DEDICATION

For the past thirty-five years, there has been one teacher who has left a mark on each person with whom she has been associated. She has taught much more than grammar and literature. Through her enthusiasm, she has taught true dedication.

Because of her many contributions to the students, the school, and the community, the Senior Class proudly dedicates the 1975 TRINHIAN to

MRS JUANITA PEACE

THE UNIVERSITY OF KANSAS GREEK CLUB IN VANDERBILT COUNTRY

Steve Lane had the leading male role as Harold Hill, the crooked band leader. The leading female role, Miriam Pappas, the piano teacher and librarian, was played by Donna Edridge. All other Greek Club members were excellent in their portrayal of the citizens of Kiver City.

VARSITY FOOTBALL

Aiding the 1974 Trinity Football Squad this past season was a man who just this year became Trinity's head football coach, Mr. Paul Barnes. Coming into the season with zeal and enthusiasm, he inspired the team to become just that — A TEAM! The unification and dedication exhibited from the entire squad proved that Trinity has only just begun

Co-captains for the Trinity Bulldogs were Randy Lanier and Greg King

Yes, we lost some games, but not until the last second on the clock had ticked away did we concede defeat. Each man had reached inside himself and found the will to say hold on! It's hard to explain what makes men strive, struggle, and fight to the very end, even after the last chance of victory is gone. The words of Dylan Thomas may express it as well as any, "Do not go gentle into that good night. Rage, Rage, against the dying of the light."

"I Can"

"Can't is a word that is
foe to ambition,

An enemy ambush to
shatter your will.

Its prey is forever a man
with a mission,

And bows but to courage
and patience and skill.

So hate it with hatred
that's deep and undying,

For once it is welcomed,
'twill break any man.

So whatever the goal you
are seeking, keep trying —

And answer this demon by
saying, 'I can.' "

Trinity's varsity squad finished their season with a low ranking, but that was the only thing low ranked about the boys. They were forever giving one hundred per cent of themselves, and came close to winning several times during the season. All of the team put forth a great effort. It was the first year at Trinity for their coach Dan Hutchinson. Through their unification, Trinity exemplified one heck of a team.

GIRL'S VARSITY BASKETBALL

Paul Barnes coached the 74-75 girl's varsity squad

The members of the girls basketball team were Kathy Whitt, Brenda Skeen, Melanie Wall, Tammy Williams, Donna Nurney, Sandra Steele,

Darlene Rush, Beverly Bowling, Lynn Farlow, Pam Doby, Tava Edwards, Emily Skeen, and manager Laura Bowman.

Bev Bowling was one of the team's strongest rebounders.

If any team improved their record from that of past years, it would definitely be the girls' basketball team. With an overall record, 11-9 and placing fifth in conference standing, the girls proved to themselves and their fans that they could be a powerful and dominating team. One factor leading to their success was that they had a strong bench. Any of the starting five could be successfully replaced by another teammate. Coaches Paul Barnes and Shirley Clodfelter also inspired the girls to victory. This team proved that the "Lady Bulldogs" were not to be taken lightly.

"One of the greatest pleasures in life is doing what people say you cannot do."

One of the Robertson twins confronting his opponent

One of Trinity's finest athletic teams this past year has been the wrestling team. Crowds among crowds filled the gym to cheer the winning team to more victories. Finishing the season with an overall 11-8 record, this dedicated and hardworking team re-established the winning streak in Trinity Senior High School. Each individual player is to be commended for the self-sacrifice and extremely strenuous work which is required of all athletes, as well as a wrestler. Coaches Harold Smith and Fred Poplin should not go unrecognized, as each contributed time, patience, and skills to the Trinity wrestlers.

GOLF

In the South Piedmont Conference, the golf matches are held a little differently from the way previously done. All the schools meet and play, then, totaling up individual team scores decide the first place team, second place, third place, etc. Trinity's Golf Team strived for a top ranking position but unluckily were not placed as high as their intentions were. But, with the '75 returnees, the golf team looks for a more promising future. Harold Smith coached the '74 squad and they were:

- Lee Lomax
- Keith Lambeth
- Ronnie Kinley
- Joey Underwood
- Jay Edwards
- David Grant
- David Dickerson
- Phil Plummer
- Tommy Rice

VARSIITY CHEERLEADERS

"Have you got that spirit? Yea man!" And the Varsity cheerleaders have got just that — SPIRIT! Their dedication and self-sacrifice has not gone unrecognized. The whole school is proud of this fine group and their advisor Mrs. Lula Bowman. Everyone will agree that our cheerleaders had more spirit, yelled louder, had better coordination, looked better, and sometimes cried harder than any other cheerleading squad. Those on the squad are:

Cheryl King
 Tess Helms

J.V. CHEERLEADERS

Trinity had one of its best J.V. Cheerleading squads this past 74-75 school year. These girls were constantly coming up with new cheers and stunts to inspire their J.V. teams and fans. A lot of hard work went in their cheers and one

big success came as the result. Those on the squad were Kim Auman, Kelly Ridge, Joanne Talbert, Rene Milkes, and Teresa Bottoms

ORGANIZATIONS

TRINHIAN STAFF

Putting an annual together is more than just taking pictures and arranging names. This year's staff began work in the summer and sold over \$5,000 in ads, a new record! Many members put in long hours and hard work so that deadlines could be met. The work was strenuous, but we hope the end result was worth it

The theatrical experience is essentially a religious one —
With laughs, and tears, and terror. It is a primitive experi-
ence dealing with primitive needs. It was on the basis of
this belief that Celebration was written. It is an attempt at a
ritual experience

'Some people say that today is the day
When the wind will rise
and blow the world away
And it may be so — I just don't know
All I know is up until we have to go,
I want to Celebrate!
I want to make a Celebration!'

The performing dramatics class is a newly established class at THS. It is under the direction of James Horton. The purpose of this class is to allow every student to participate in every aspect of theatre. Their experience gained ranges from acting, to make-up, to light technicians, to set design, to directing, etc. This is a performing class, therefore, each student must perform in all areas of theatre. Also included are field trips to local theatrical productions.

Barefoot in the Park, a hilarious three act comedy by Neil Simon, was presented by Trineco in February. The cafeteria became a dinner theatre as guests were served a delicious meal, followed by an entertaining performance.

FCA

The Fellowship of Christian Athletes helps to strengthen a good feeling of kinship on and off the athletic field. This year members sold candles, participated in area meetings, and had many interesting programs and outside speakers. They also sent a representative to the State FCA Conference. During FCA week, devotions were read over the intercom in the morning, and the musical group Tamarah performed at an assembly.

BETA CLUB

The Beta Club is an honor club which requires top grades and good character from its members. This year the club took up money for mental health, gave a Christmas party for the Special Education Class, sponsored an exchange student, and attended county, district, and state meetings. STUDENT COUNCIL

This organization plays an active and vital role at THS. Work begins before school starts with Orientation. The biggest project of the year is Homecoming. The Homecoming court, parade, half-time activities, and dance are supervised by the council. Needy families were helped through Christmas cheer packages from each homeroom and canned food donated as admission to the "Fifties Dance," which was a real success! An extra highlight was the State Convention in Wilmington.

TRINIDETTES

Mrs. Brower discusses a routine with Mr. Sullivan

Not only did the THS Band dazzle us with performances at football games and parades, it also found time to compete in band contests, sell candy, hold a hot dog supper, attend Band at Duke, and go skiing in the mountains

This year the Trinidettes worked hard to bring more enjoyment to half-time shows and parades. Many routines were learned while attending Mars Hill Band Front Camp last summer. The girls also sported new uniforms, new flags, and pom-poms. Special thanks go to Mrs. Margaret Brower for all her help.

I would like to thank all of those who helped to make this the best TRIN-
HIAN ever. There are a few students who sacrificed many hours and did
exceptionally good work. I would like to give a special "Thank you" to these
people, Kathy Von Cannon, Tommy Haynes, Pam Doby, Marty Summey,
Susan Newton, Patricia Iverson, Julia Hedrick, David Dickerson, and Jay
Goins. Also, to Mrs. Underhill and Mr. Small, thanks for your leadership
and encouragement. I wish the best of luck to Kathy and her staff next year.

*If Rain comes,
can Sunshine be far behind?"*

"It was the best of times, it was the worst of times. It was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us, we were all going direct to Heaven, we were all going direct the other way."
